INTERIM ORDER

(Admitting the Petition and Fixing Date of Hearing)

1. The present Petition has been filed before the Hon'ble Commission seeking directions against Dakshin Haryana Bijli Vitran Nigam Limited (DHBVN) for wrongful non-recognition and non-settlement of energy injected into the grid during the period from 16.08.2025 to 30.10.2025. The Petitioners submit that they had obtained Long-Term Open Access (LTOA) approval and complied with all applicable requirements under the HERC Green Energy Open Access Regulations, including payment of requisite charges. However, DHBVN allegedly delayed grant of LTOA and failed to provide necessary portal login credentials, preventing formal scheduling of power. Despite submitting schedules through email, the injected energy was not accounted for in billing and settlement. Aggrieved by the resultant financial loss, the Petitioners have sought recognition of their entitlement to energy settlement, re-computation of energy accounting, consequential billing adjustments, and issuance of directions to prevent recurrence of similar administrative and regulatory lapses. Accordingly, the Petition is considered to be listed for hearing on admission.
2. In view of the above, the matter is fixed for hearing on **19/08/ 2026** at **11:30 A.M.** before the Commission. The parties shall be duly informed and required notices, as per procedure, should be issued for their appearance.
3. The parties shall remain present either in person or through an authorized representative or legal counsel on the date so fixed and shall place on record any submissions, if required, before the Commission.
4. The present order shall be uploaded on the official website of the Commission for the information of all concerned.

Ordered accordingly

This order is signed, dated, and issued under the seal of the Haryana Electricity Regulatory Commission on this **13th day of July, 2026.**
