3. Haryana State Load Dispatch Centre, Through its Executive Engineer, XEN/LD & SLDC Complex, Sewah Panipat-132103 Phone No. 9315016211Email: xenidpc@hvpn.org.in

INTERIM ORDER

(Admitting the Petition and Fixing Date of Hearing)

1. The present Petition has been filed under the Electricity Act, 2003 and the HERC Green Energy Open Access Regulations, 2023 seeking recognition of the Petitioners' right to scheduling and settlement of green open access power injected into the grid during the period from 10.07.2025 to 23.09.2025. The Petitioners submit that Long-Term Open Access (LTOA) had been duly granted and all statutory charges were paid; however, DHBVN failed to provide portal login credentials in a timely manner, compelling the Petitioners to submit schedules through e-mail. Despite lawful injection of power, DHBVN allegedly refused to account for and settle the energy injected during the disputed period, causing financial loss of approximately Rs. 3.48 crore. The Petitioners have therefore sought directions for recognition and settlement of the injected energy, re-computation of energy accounts, sharing of scheduling data, and protection from any consequential penalties or deviation charges. Accordingly, the Petition is considered to be listed for hearing on admission.
2. In view of the above, the matter is fixed for hearing on **19/08/ 2026** at **11:30 A.M.** before the Commission. The parties shall be duly informed and required notices, as per procedure, should be issued for their appearance.
3. The parties shall remain present either in person or through an authorized representative or legal counsel on the date so fixed and shall place on record any submissions, if required, before the Commission.
4. The present order shall be uploaded on the official website of the Commission for the information of all concerned.

Ordered accordingly.

This order is signed, dated, and issued under the seal of the Haryana Electricity Regulatory Commission on this **13th day of July, 2026.**
