INTERIM ORDER

(Admitting the Petition and Fixing Date of Hearing)

1. The Present petition has been filed by HPPC under Section 86(1)(b) of the Electricity Act, 2003, seeking approval for procurement of 44 MW power allocated to the State of Haryana from Tanda Thermal Power Station Stage-II (2×660 MW) of NTPC Limited and approval of the Power Purchase Agreement dated 30.11.2010. The PPA was earlier considered by the Commission in 2015, wherein approval was not granted, with liberty to HPPC to approach the

Commission again upon establishing the necessity of procurement. Subsequently, the allocated power was surrendered and reallocated to other States. However, vide NRPC corrigendum dated 30.05.2026, 44 MW power was reallocated to Haryana w.e.f. 01.06.2026. The demand-supply assessment indicates a projected power deficit of approximately 1,813 MW for FY 2027-28, likely to increase substantially in subsequent years. Accordingly, HPPC seeks approval for procurement, scheduling and associated power purchase costs in accordance with applicable CERC tariff regulations and HERC MYT Regulations, 2024. Accordingly, the petition stands admitted for consideration

2. **In view of the above, the matter is fixed for hearing on 15/12/ 2026 at 11:30 A.M.** before the Commission. The parties shall be duly informed and required notices, as per procedure, should be issued for their appearance.
